Summary of Legislation

This bill exempts the state from observing daylight saving time, making Mountain Standard Time the standard time year-round.

Assessment

Exempting the state from daylight saving time will have no impact on the expenditures or revenues of any state agency or local government, and, therefore, this bill is assessed as having no fiscal impact. As Office of Information Technology applications are typically linked to servers and not housed in affected state agencies, system modifications will not be required.

Effective Date

The bill was postponed indefinitely by the House Agriculture, Livestock, and Natural Resources Committee on February 8, 2017.
