A BILL FOR AN ACT

CONCERNING MODIFICATIONS TO THE SALES TAX STATUTES IN ORDER TO ADDRESS CERTAIN DEFECTS AND ANACHRONISMS.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Statutory Revision Committee. Section 1 of the bill makes corrections to the penalty for a taxpayer's failure to pay the correct amount of sales taxes due or for a taxpayer's failure to account for sales taxes correctly so that the statute reads the way the department of revenue applies the law.

Section 2 changes the penalty section for use tax collections so
that it is the same as for sales tax collections. Legislative history makes clear that the legislature has intended these sections to be the same, but over the years bills revising these sections did not successfully align the 2 sections.

**Section 3** repeals a temporary partial sales tax rate reduction for a new or used commercial truck, truck tractor, tractor, semitrailer, or vehicle used in combination therewith that has a gross vehicle weight rating in excess of 26,000 pounds. While the rate reduction could still be used, it is preempted by a full rate reduction for low-emitting vehicles in another statutory section. Any vehicle that could qualify for the temporary partial rate reduction in a TABOR refund year already qualifies for the full exemption from sales or use tax under the other section, so the partial rate reduction is not used.

for the period commencing on July 1 of the calendar year in which that
fiscal year ends through June 30 of the immediately subsequent calendar
gy, at a rate of one one-hundredth of one percent:

(b) (I) No later than October 1 of any given calendar year
commencing on or after January 1, 2001, the executive director shall
annually adjust the dollar amount specified in paragraph (a) of this
subsection (3) to reflect the rate of growth of Colorado personal income
for the calendar year immediately preceding the calendar year in which

of growth of Colorado personal income" means the percentage change
between the most recent published annual estimate of total personal
income for Colorado, as defined and officially reported by the bureau of
economic analysis in the United States department of commerce for the
calendar year immediately preceding the calendar year in which the
adjustment is made and the most recent published annual estimate of total
personal income for Colorado, as defined and officially reported by the
bureau of economic analysis in the United States department of
commerce for the calendar year prior to the calendar year immediately
preceding the calendar year in which the adjustment is made:

(H) Upon calculating the adjustment of said dollar amount in
accordance with subparagraph (I) of this paragraph (b), the executive
director shall notify in writing the executive committee of the legislative
council created pursuant to section 2-3-301 (1), C.R.S., of the adjusted
dollar amount and the basis for the adjustment. Such written notification
shall be given within five working days after such calculation is
completed, but such written notification shall be given no later than
October 1 of the calendar year:
(III) It is the function of the executive committee of the legislative council to review and approve or disapprove such adjustment of said dollar amount within twenty days after receipt of such written notification from the executive director. Any adjustment that is not approved or disapproved by the executive committee within said twenty days shall be automatically approved; except that, if within said twenty days the executive committee schedules a hearing on such adjustment, such automatic approval shall not occur unless the executive committee does not approve or disapprove such adjustment after the conclusion of such hearing. Any hearing conducted by the executive committee pursuant to this subparagraph (III) shall be concluded no later than twenty-five days after receipt of such written notification from the executive director.

(IV) (A) If the executive committee of the legislative council disapproves any adjustment of said dollar amount calculated by the executive director pursuant to this paragraph (b), the executive committee shall specify such adjusted dollar amount to be utilized by the executive director. Any adjusted dollar amount specified by the executive committee pursuant to this sub-subparagraph (A) shall be calculated in accordance with the provisions of this paragraph (b):

(B) For the purpose of determining whether the use tax rate reduction authorized by paragraph (a) of this subsection (3) is to be allowed for any given income tax year, the executive director shall not utilize any adjusted dollar amount that has not been approved pursuant to subparagraph (III) of this paragraph (b) or otherwise specified pursuant to sub-subparagraph (A) of this subparagraph (IV):

(V) If one or more ballot questions are submitted to the voters at a statewide election to be held in November of any calendar year
commencing on or after January 1, 2001, that seek authorization for the
state to retain and spend all or any portion of the amount of excess state
revenues for the state fiscal year ending during said calendar year, the
executive director shall not determine whether the use tax rate reduction
authorized by paragraph (a) of this subsection (3) shall be allowed and
shall not promulgate rules containing said use tax rate reduction until the
impact of the results of said election on the amount of the excess state
revenues to be refunded is ascertained.

(e) The general assembly finds and declares that reducing the rate
of the use tax imposed on the storage, use, or consumption of a new or
used commercial truck, truck tractor, tractor, semitrailer, or vehicle used
in combination therewith that has a gross vehicle weight rating in excess
of twenty-six thousand pounds is a reasonable method of refunding
excess state revenues required to be refunded in accordance with section
20 (7)(d) of article X of the state constitution:

(d) Any state use tax rate reduction allowed pursuant to this
section shall be published in rules promulgated by the executive director
of the department of revenue in accordance with article 4 of title 24,
C.R.S., and shall be included in such notices and publications as are
customarily issued by the department of revenue on at least a quarterly
basis concerning exemptions from the state sales and use tax:

SECTION 4. Act subject to petition - effective date -
apPLICABILITY. (1) This act takes effect at 12:01 a.m. on the day following
the expiration of the ninety-day period after final adjournment of the
general assembly (August 5, 2020, if adjournment sine die is on May 6,
2020); except that, if a referendum petition is filed pursuant to section 1
(3) of article V of the state constitution against this act or an item, section,
or part of this act within such period, then the act, item, section, or part
will not take effect unless approved by the people at the general election
to be held in November 2020 and, in such case, will take effect on the
date of the official declaration of the vote thereon by the governor.

(2) This act applies to sales and use tax periods commencing on
or after the applicable effective date of this act.
