Summary of Legislation

The bill continues the HOA Information and Resource Center in the Department of Regulatory Agencies (DORA) for 13 years, extending the program's repeal date from September 1, 2025, to September 1, 2038. The bill also makes two technical, clarifying changes.

Continuing Program Impacts

Based on the <u>Sunset Review</u> for the program, DORA is expected to have annual revenue and expenditures of about \$220,000 to administer the HOA Information and Resource Center. If this bill is enacted, current revenue and expenditures will continue for the program starting in FY 2026-27. This continuing revenue is subject to the state TABOR limits.

If this bill is not enacted, the program will end one year after its repeal date on September 1, 2026, following a wind-down period. If allowed to repeal, state revenue and expenditures will decrease starting in FY 2026-27 by the amounts shown in Table 1.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
